## Tasting Notes

Fresh fruit aromas and pure pear notes. The wine is a medium dry style with delicate stone fruit and a mouth finish of lasting pear.

## Region

Gisborne's high level of sunshine and close proximity to the ocean regulates the temperature, which makes for perfect growing conditions. There is an abundance of aromatic wines but it is especially renowned for quality full-bodied Chardonnay and Pinot Gris. Even with Gisborne's remote location it has carved out a unique reputation for high quality grapes and is the 4th largest grape growing region in New Zealand.
