

# VISTA BODEGA

CHILE

## PINOT NOIR

### Tasting Notes

Garnet in colour, this elegant Pinot Noir has a complex nose of plum and cherry with floral notes of violets. The palate shows flavours of fresh berries, notably cherry and raspberry. It is light-bodied in style with soft supple tannins that lead into a very long finish.

### Region

Central Valley (Valle Central) is Chile's most internationally known wine region. It is best known for its well-balanced reds as the climate is dry and with its close proximity to the Andes creates a wide diurnal temperature variation. Long Days in the sun increases the ripening qualities of the grapes and with the sudden drop at night leaves a balance of natural acidity. .

#### TECHNICAL WINE NAME:

Vista Bodega Pinot Noir

**YEAR:** 2015

**ORIGIN:** Central Valley,  
Chile

**ALCOHOL:** 12.6%
